RACE NOTES	Driver steward Alan Jones, AU. Start was delayed by 10 minutes due to heavy rain and rolling start behind safety car was utilized. Safety car was deployed during the race as well. Greasy track surface. Suspended due to heavy rain and resumed for the remaining 52 laps. Starting grid for the second segment was based on the running order when stopped and Sebastian Vettel started from the first position in a rolling start behind safety car. Because the official timing was not interrupted the total race time includes the approximately 45-minute dormant period between when the race was stopped at the end of lap 3 and resumed.
